To Whom It May Concern:

This letter of recommendation is submitted on behalf of Barrington Polite, Job Readiness Trainer in Workforce Development with our Back to Work Program and The Support through Employment Program (STEP). In STEP he engages the participants in the Fatherhood/Parenting Program as mandated by the New York City Human Resources Administration (HRA) in order for the parents to return to the workforce and reconnect with their children.

In his capacity as Job Readiness Trainer, he conducted daily motivational and fatherhood workshops for both program participants. Mr. Polite has excellent program and communication skills, and he extended himself beyond expectations. He has worked well with the staff of HCCI as well as the program participants.

If you should have any further questions do not hesitate to contact me at (212) 281-4887 x 174.

Sincerely,

Beverly Lydeatte, MPA
